

# MCKENNA REITZ

MOTIVATIONAL SPEAKER | CONSULTANT

@MCKENNAREITZ

McKenna Reitz is a sought-after TEDx speaker, an award-winning high school AP Psychology teacher, and an alopecia warrior who empowers others to reframe life's challenges into gifts and opportunities so they can lead with confidence and purpose. After losing all her hair due to Alopecia, McKenna uses her journey of having this autoimmune disease to help others overcome the loss by resetting the mindset of their "loss" into growth and opportunities. She is an inspirational force, assisting world-class teams to succeed, time and again, in the face of great challenges and change.
