McKenna Reitz, a TEDx speaker and former award-winning AP Psychology teacher, is a beacon of resilience and empowerment. Known for her transformative leadership, she's turned her alopecia journey into a powerful call for growth, earning accolades like Toledo 20 Under 40 and the 'I Make a Difference' award. With degrees from Hope College and the University of Toledo, she champions educational and personal development. A celebrated volleyball coach and motivational speaker, McKenna inspires audiences nationwide with her message of turning challenges into opportunities, which is featured on platforms like Forbes and Good Morning America. Based in Sylvania, Ohio, she embodies purpose-driven leadership, advocating for empowerment through adversity.

Igniting Change through Leadership + SEL
- ✓ **Finding Your Purpose:**  
Embracing Life Challenges

## TESTIMONIALS

"She encourages you to turn your challenges into your biggest triumphs and to put yourself out there in such a big way, no matter your obstacles because you are worth it."

— AMY PORTERFIELD  
ONLINE MARKET EXPERT | AUTHOR

"McKenna is a beautiful example of the power of making your mess your message. I was thrilled to share her story in Woman's Day."

— MEAGHAN MURPHY
